Hello everyone,  
Welcome to April's edition of our Newsletter and a warm welcome to all our new residents, relatives and loved ones reading our newsletters for the first time. Since Christmas we have welcomed several entertainers into the home, some of our old time favourites and one new addition, the Banjo Man, his first performance went down particularly well with many, we received many requests for him to return, we welcomed him back for his second visit on 27<sup>th</sup> April. One resident even compared him to George Formby; true compliment indeed! I hope you find our newsletter both informative and fun, Happy Reading!
