Volume no.7

Issue no.1

Date: January 2016

Hi Everyone,

Firstly may we take this opportunity of wishing you all a very happy 2016 and a warm welcome to all our new residents, families and friends.

We have been busy planning our activities and events for the year, and have already welcomed several entertainers into the home, some old and some new additions as you will see later in this newsletter as you read on.....

We would like to remind everyone that our office door is always open, should you have any issues, concerns, worries and also if you have any compliments.

Thank you to everyone who has already completed our Quality Assurance Survey we sent out in December, your feedback is always very much appreciated and valued. Also if you wish to recognise that we are providing a good service you can review us submitting your review to carehome.co.uk, cards are available in the entrance to the home. May we also pass on our thanks to those people who have already paid us compliments; it is always nice for our staff and the home to be recognised in this way.
