Quality Assurance Forms

Thank you to everyone who has taken the time to complete our QA Forms sent out in September. We were hoping for a more enthusiastic response to guide us but as always we greatly appreciate and value the input we have received from our families and residents. We received some lovely compliments and positive feedback. Common themes were suggestions for various activities they would like us to include. We have now set up new activities corners and over the coming months, with the help of our carers, will be including a wider range of activities for all our residents to enjoy. New entertainers from external sources was also suggested. We are looking at all these suggestions. This is where our families and friends can also help us by continuing to support our fund raisers throughout the year, boosting our Friends of the Home Funds, allowing us to book a variety of entertainment. We received a concern that one of our residents sometimes felt rushed by some of our carers. This has been addressed and we will continue to try and ensure this does not occur. There were no other concerns which is an excellent outcome.

Our next questionnaires will be due out in April and we encourage all to use this opportunity to provide your input. Thank you once again to all those who responded and the positive feedback and suggestions given. This all contributes to making Dorrington House Dereham the best home we can make it for your loved ones.
