Unnamed laundry

We have accumulated several items of clothing in our laundry, which are unnamed. Please could you check with the laundry staff when next visiting, to see if you can help us identify your loved ones clothing. Anything still not identified by the end of June will go in our next Bags to Schools collection, and the proceeds will be added to our Friends of the Home Funds.

Bags to School Collection

Thank you to everyone who helped us to raise £48 from our last collection in February. Our next collection will be on 13th July

Quality Assurance Survey

Thank you to all those people who returned the Quality Assurance Forms and for all the positive comments. We were very happy to find just a few areas that were suggested we could improve in and these will be easily addressed. One resident has stated she would like staff to ask her how she is more often and another resident has requested her cup not be filled so full when being offered drinks. We will communicate this to staff and add to individual careplans where appropriate. Having to press the call bell repeatedly on some occasions was a concern for one resident. Calls bells will always be answered as quickly as staff are able, this is dependent on what else may be going on in the home at the time. A dancing activity was suggested and we will add this to our activity calendar. Once again thank you to all that contributed.
